Winemakers Tasting Notes: Distinct from its' sister channel islands, at high tide Anacapa is actually three islets, "East", "Middle" and "West". As the Pacific recedes, however, the islets transition into one island. Similarly, Rusack Vineyards' well loved, "Anacapa", is sourced from three distinct grape varieties; Cabernet Franc (86%), Merlot (4%), and Petit Verdot (10%); as the juice is blended it, too, transitions to one entity; a stunning single Bordeaux style cuvee. This 2009 Anacapa captures aromas of star anise, rose petals and coffee bean with flavors of black cherry, dried cranberry, cocoa and the beautiful texture of lush, velvety tannins.
