Winemakers Tasting Notes: Our Rosé is created from select Syrah, Sangiovese, and Grenache grapes, which are harvested at peak maturity and ear marked for our Reserve program. Prior to fermentation a small percentage of “blush” colored juice is set aside, while the resulting concentrated juice continues on the path to a Reserve release. This unique process leaves us with a delightfully intense Rosé wine perfect for those lighter moments in life.

Fermentation: Fermented in a stainless steel tank.
